title: My First Doc description: Quick demo of Cruella features and outputs tags: demo, getting-started —

Hello Cruella

This is my first page. It has simple text and shows key features.

Section A

Some content. A short list:

- One
- Two
- Three

Tip:

> You can search this page. Try keywords like "lunr", "tags", or "plugins".

An image:

Small table:

Feature	Shown here
Headings	Yes
Lists	Yes
Image	Yes
Table	Yes
Code	Yes

Figure 1: Cruella Logo

Section B

More content. Inline code like `echo hello`.

Code blocks:

```
# build site
bin/build_all.sh
```

```
// tiny snippet
const msg = "Hello Cruella";
console.log(msg);
```

Tasks:

- ☒ Write
- ☒ Build
- ☐ Share

Links: Home and Getting Started.

Footnote demo. A short sentence with a note. [1]

---

[1] A tiny footnote.

Slides

This same file can be rendered as slides. Use slide-level headings and separators if needed.

Tags

This page has tags in front matter: demo, getting-started.
